ALEXANDER MATOS

Front-End Developer

ABOUT ME

SOFTWARE DEVELOPMENT STUDENT

I'm a Software Development student focusing on front-end, although I always try to expand my knowledge in back-end as well. I leverage my favorite design tools and knowledge to create and practice my creative skills, bringing prototype web designs to life with my programming abilities.

EDUCATION

TECHNOLOGIST (2023 - PRESENT) EXPECTED GRADUATION: SEPTEMBER 2025

Software Development Technologist
